

Ver. 1.00

AiM Kart Tire temperature sensor

Part number

X05TTS01B0

Tire temperature sensor

Technical specifications

- Connection to MyChron5 via IR Temperature Controller
- Output signal 0-5V
- Field of View 35°
- Temperature range -20°/120°C
- Dimensions: 26.6 x 17.2 mm
- Sensor cable length: 250 mm
